

Are you a motivated Registered Veterinary Nurse with an interest in orthopaedics?
Are you interested in an exciting opportunity in a new specialist orthopaedic referral practice?

Arthurs Orthopaedics are seeking an enthusiastic RVN to expand our friendly team of 1 orthopaedic surgeon and 2 veterinary nurses.

We are looking for a dedicated, motivated nurse who shares our values to do the best you can.

You should have at least 2 years experience as an RVN.

Referral practice experience is desirable but not essential as full training will be given.

Further qualifications are actively encouraged and supported.

This is ideally a full-time position but we may consider part-time.

We offer:

- Competitive salary, dependent on experience and qualifications
- Generous CPD allowance
- Paid RCVS membership
- Work-based pension
- Additional benefits including private health insurance, bonus and a day off for birthday.

Join our friendly, compassionate team at the beginning of our exciting journey!

For an informal chat please contact us:

- Jo on 07927 022 654
- Gareth on 07463 723 493

Or email us your CV with covering letter to:

- jo@arthursorthopaedics.co.uk
- gareth@arthursorthopaedics.co.uk

We are proud to be an independent specialist orthopaedic referral practice, currently hosted at Towcester Veterinary Centre, Northamptonshire.

We offer the highest standard of orthopaedic care and service.
